Inspired by the striking iconography of a merging traffic sign, 2Merge starts with our classic Parsons frame, the legs of which form a unique angled Y. Whimsical but still classic, this base comes in polished or brushed finish and is available in all textured Colora colors. 2Merge invites a meeting of minds and personalities to create their best work together.

Prismatique Designs Ltd., founded in 1979, is a privately owned Canadian contract furniture manufacturer with an international reputation for precise engineering and office table specialization.

Prismatique offers choices—not compromises. We offer extensive versatility in finish options, ranging from painted back glass to stone to veneer and laminate. This flexibility enables the designer to "Customize with Confidence" and partner with us to create unique table solutions at less than custom prices.

It's not just about what we do. It's about how we do it.
