RAISED BASE: 1" x 1" Parsons, brushed stainless steel

Perhaps no area of the modern office is as vital as where the coffee is served. Here important plans are formed, complex deals are made and inspiration strikes. It's with this in mind that we designed our series of café and collaborative tables—Beveled Plate, Nextt Cross, Konverse Cross, Asteri and Ella. Whether you choose a pleasing rounded table and base, or a sleek square top with a cross or square, every meeting held can be both relaxing and decisive.

Prismatique Designs Ltd., founded in 1979, is a privately owned Canadian contract furniture manufacturer with an international reputation for precise engineering and office table specialization.

Prismatique offers choices—not compromises. We offer extensive versatility in finish options, ranging from painted back glass to stone to veneer and laminate. This flexibility enables the designer to “Customize with Confidence” and partner with us to create unique table solutions at less than custom prices.

It's not just about what we do. It's about how we do it.
